Festival Aims:

To expand cultural exchanges and cooperation between countries.

- Exchange of experience in working with young people and getting to know new theater forms and teaching methods
- Promotion and development of children and youth theatrical creativity.
- Promote the growth of activity and interest of the audience in the theater.
- Creation of Friendships and creative exchange between young people and countries.

Conditions of the competition:

Each team will have the opportunity to present their piece in front of an international jury of the festival, 1 participant and the audience from Bremen. Participant can be any children's and youth theater. The cast is not allowed to include more than 2-performers over 27 years. The selection of groups to participate is based on views on other festivals, on the basis of submitted information materials such as: photographs and videos. Mandatory submission along with the application videos of the play or whole fragment of the play, at least 30 minutes (edited videos with different clips as well as Trailers are not accepted). **Applications are not considered without video applications!** (For theaters except the winners of the previous festivals: Grand Prix). To participate in the Festival you must apply with the forms given by July 1, 2017. In addition to the performance video, the application has to have attached 3-4 photos from the Play, the poster of the play, historical background of the theater. On the results of the selection teams will be informed on August. You may perform a play

of any genres and forms lasting **no more than 60 minutes**. Number of people from one team of not more than 8 participants and 2 leaders. Each team will be assigned a supervisor. Six weeks before the start of the Festival the supervisors will contact the head of the teams they are assigned to. From this point on, all organizational issues are the responsibility of your supervisor.

Free time:

In your spare time teams will have the opportunity to view Bremen city. For information on organising a tour please ask your supervisors

Financing:

Funding for organizational expenses are due extrabudgetary contributions and sponsorships. The living and eating expenses have to be covered by the teams individually. Fee: For each participant the registration fee is - 15 Euro.
